

SCOTS ALL SAINTS
COLLEGE

December 2021

2022 Start of Year Program

Setbacks aside, this year has been a very good year for our students, and this was reflected at Presentation Day where we celebrated many achievements. That said, I'm sure everyone is looking forward to the New Year with renewed optimism and the opportunity for a fresh start.

Next year will mark another milestone for the College with the arrival of Year 7 and 8 to what will be now known as the Senior Campus. Last week we had some terrific orientations days and the enthusiasm and excitement shown by the students is no doubt a sign of things to come.

Term 1 commences on Monday 31 January. Students are expected to arrive on campus between 8.25am and 8.55am. On arrival, students are to make their way to the marquees in front of Aikman Hall to meet their Team Leaders and to collect their Diary and timetable. Following this there will be a full school assembly. Following assembly it will then be a normal school day.

I encourage you to read the Student and Parent Handbook that was recently issued. This handbook contains a wealth of information regarding the operation of the College.

My very best wishes for the upcoming holiday break and for a joyous and holy Christmas.

Kind Regards

Andrew Weeding
Deputy P-12 | Head of Senior School
